Prayers Beyond Boundaries Ministries

“We are a Daniel Generation! People of faith who survive and thrive even in difficult situations by the power of prayer”

Strategic Plan

2015-2022

OUR VISION:

To see transformed nations and their leaders through the power of prayers by the working of the Holy Spirit.

OUR MISSION:

To mobilize individuals, families, leaders and nations in order to teach, sensitize and encourage them to know Christ and have a prayerful lifestyle by organizing regular prayer meetings and events.

OUR CORE VALUES:

- ❖ Prayer as a lifestyle
- ❖ Truth and moral integrity
- ❖ Upholding Christian family values
- ❖ Accountability
- ❖ Pursuit of righteousness
- ❖ Unity of purpose
- ❖ Compassion

SLOGAN

“We are a Daniel Generation; People of faith who survive and thrive even in difficult situations through the power of prayer”

STRATEGIC PILLARS

The ministry also adopted six strategic pillars to guide our growth and activities for the next seven years:

A. PRAYERS.

Our first priority in PBB Ministry is prayer; the second is prayer and the third is prayer. This can be achieved through developing voluntary prayerful members; developing prayerful leaders and prayerful nation.

B. TRAINING.

To lay a strong foundation for growth and expansion, the ministry will develop the capacity of leaders and members on leadership, word of God on life skills. The objectives are: empowering leaders and co-workers through trainings; teaching on vision, mission and core values to all church leaders; teaching on the true word of God; teaching through technology and entrepreneurship training.

C. COMMUNICATION.

We are committed to improving our ability to effectively communicate our opportunities and needs to our congregation and partners in a simple and direct manner. Communication will be improved both internally and externally through: breaking the language barriers; maintaining regular communication with all stakeholders; establishing a communication department and enhancing effective communication among members.

D. RESOURCE MOBILIZATION.

There is need to have a structured plan on raising funds which must be done within the Christian values that are held dear across the Ministry. It can be accomplished through: raising funds/contribution and income generating activities.

E. INFRASTRUCTURE DEVELOPMENT.

To ensure stability that facilitates maximum effect across nations, there is need to develop a permanent sanctuary and also upgrade our children's home and school at Maai Mahiu through: acquisition of land; building church and office complex and upgrade and develop PBB Home Care Centre in Maai Mahiu to modern standards to provide quality life to children and community

F. INSTITUTIONAL STRENGTHENING.

As PBB Ministries we are committed to strengthening institutional structures and systems to effectively run the Ministry through: offloading administrative duties from the founder; having efficient and effective task implementation-meeting set deadlines; having fully qualified skilled workers who are faithful and trusted and having effective and clear distribution of duties which are well defined.
